SCHOOL BUS REGISTRATION OR PERMIT INFORMATION

Please read all sections then complete application on reverse.

Privately Owned School Bus	<p>A privately owned school bus must be operated in accordance with the Rules and Regulations of the Department of Education exclusively in transporting school pupils or school pupils and employees of a private non-profit educational organization. School buses may be used to transport students from activities sponsored by non-profit organizations.</p> <p>Prior to commercial operation, temporary commercial registration for a privately owned or contract school bus must be obtained. See the next information block.</p> <p>California Vehicle Code (CVC) Section 545 requires the vehicle to be inspected and approved by the California Highway Patrol for operation as a school bus.</p>
Temporary Permit for Privately Owned School Bus	<p>California Vehicle Code (CVC) Section 9201.5 allows temporary commercial registration for a privately owned or contract school bus.</p> <p>The vehicle operated under this permit must be currently registered under the provision of CVC §9201.5 and is either owned or operated by a private non-profit education organization or privately owned and operated under contract. Vehicle may be used to transport students to or from activities sponsored by non-profit organization.</p>
Temporary Permit for Exempt School Bus	<p>An exempt school bus may be registered for temporary commercial operation for one or more calendar months. The vehicle is subject to inspection at any time when operated within this state and assessment of fees and penalties when due.</p>
